

Erin McGeever

Dr. Vincent Branick

Pauline Corpus

15 January, 1991

### The Role of the Holy Spirit in the Pauline Corpus

The Holy Spirit, while more prominent in the Acts of Apostles, holds a...

#### APPENDIX C

Any source which can be described, excerpted, or referenced in any way, can appear in cited works. The original sources show in great detail how the references are to be noted. For simplicity and brevity, we show the most common sources that you will use. Select one format, use it throughout the paper.
