

INTERMEDIATE GRADES MATERIALS

GRADES 5 - 8

For the Home

1. Sample parents' letter - to be printed on parish or school letterhead; letter with enclosures to be sent to parents of every child
2. Enclosures to parents' letter - "Q & A About Child Safety," and "Know the Rules"

For the Classroom

3. Intermediate grades lesson plan

- First year of program - given once during the Fall of the academic year to all classes in this grade level (grades 5 - 8)

- Subsequent years - given once during the Fall of the academic year to 5th and 7th grade level classes

- There should be one make-up session in parish religious education programs for students who miss the scheduled lesson presentation. If a student misses both the scheduled presentation and the make-up session, the parents should be provided with a copy of the primary level lesson plan and asked to discuss the contents of the lesson plan with their child. Attendance in parish and diocesan schools is usually less problematic, therefore there may be a make-up session, but it is not required
